Jacob's LADDER
CAMPS AND RETREATS

“Train up the child in the way he should go, and when he is old, he will not depart from it.” ~Proverbs 22:6

It is the mission of Willow Springs Boys Ranch to model the love of Jesus Christ to boys in a structured family environment and to provide nurturing, security and self-discipline in order to help them develop the tools to face the challenges of life. WSBR provides long-term care for boys who are 7-12 years old. They may live at the ranch until they are ready for adulthood. The focus of the program is preventative in nature. Willow Springs Boys Ranch strives to accomplish its mission through investing in the lives of the needy, neglected and at risk.

“Surely the Lord is in this place... This is none other than the house of God: This is the gate of Heaven.” Genesis 28:16-17

Jacob's Ladder Camps and Retreats exists to serve the church and other local ministries by providing a place for people to experience the richness of God's love and develop a committed relationship with Jesus Christ. Our hope is for life-changing relationships to take place. It is also the purpose of Jacob's Ladder to provide financial resources to fund the mission of Willow Springs Boys Ranch.

impacting one

WILLOW SPRINGS BELIEVES in the value of Family and it is our hope to not just provide a home for boys but to provide them with a family who loves God and believes in the grace of his son Jesus Christ. This lifestyle is not just talked about at WSBR, it is lived out daily in the lives of the staff. When boys leave the Ranch, it is our goal that they leave with the tools to not just get by in life, but to become successful adults, husbands and fathers. Underlying the entire program at WSBR is a strong moral, ethical and spiritual foundation. Though the Ranch is interdenominational, it is overtly Christian. Willow Springs believes that an “outward change of behavior” comes from and “inner change” of the person. Lasting change is only possible through a personal relationship with Jesus Christ.

the boys ranch includes

- Ranch projects to develop job skills, responsibility, work ethic, leadership and character
- Sports and recreation
- Weekly, individual and group counseling
- Regularly scheduled outings and activities
- Weekly Ranch Life group which includes songs, skits, question-and-answer time and Bible study for all Ranch residents
- Regular involvement in weekly church services and daily ranch house devotions

“I am so enthusiastic about Willow Springs Boys Ranch. WSBR has a big heart for young boys and families who are reaching out for help. I know the WSBR staff to be full of integrity, purpose and passion as they invest in the hearts and lives of boys.”

impacting Joe

Joe was not in school and was helping take care of his mom who had suffered a heart-attack. Since she couldn't work, Joe and his mom had lost their home. Joe heard about Willow Springs through some friends in his neighborhood in Oklahoma City.

Since coming to Willow Springs Joe has a job, is attending technical school, has won numerous medals in track, improved his GPA and is the Chandler Lion's School mascot. Joe's mom survived her surgery and has moved into a fully furnished apartment due to the help of a local Edmond Church, FaithWorks of the Inner City, and a group of Edmond teenagers.

It is our hope to have a lasting impact in the lives of many far beyond the state of Oklahoma. It has been a blessing and an honor to provide training and teambuilding for mission teams across the state. The leadership skills as well as unity gained have better prepared the teams to do the work God has called them to do around the world.

“Our mission teams and students loved their experience at Jacob’s Ladder. The passion and wisdom of the facilitators make the ropes course an amazing team building and leadership development tool. I highly recommend Jacob’s Ladder for anyone looking to cultivate unity, enhance team work, and build closer relationships in all types of groups. It’s a 5 star experience!”
